BRITISH LIBERAL'S DISSOLTION PREDICTED

Rt. Hon. Philip Snowden, who was Chancellor of the Exchequer in the MacDonald Labor Government, speaking at Salisbury, predicted that the British Liberal party would gradually dissolve until there would be a "clear division of parties and policies" in the British Parliament.

NOTICE

In the Legislature.

NOTICE IS HEREBY GIVEN that an application will be made at the next Session of the Legislature of the Province of British Columbia for an Act to incorporate a company under the name of Provincial Telephone Company with an authorised capital of five million dollars with its head office in the City of Vancouver and with the following powers:—

To operate telephone, wireless telephone, radio-telephone and similar services including services for the transmission of sound, pictures, writing or signals; to hold and dispose of lands, tenements and hereditaments of any description; to provide and maintain all such buildings, works, plant, apparatus, materials, offices and exchanges as may be necessary for its business; for the purposes of its business to provide and operate steamships and other vessels; to acquire and use any privilege granted by any Federal, Provincial or municipal authority; to acquire and use patent rights; to advance money to any corporation, company or persons for providing building or operating any telephone system; to do anything as contractor of others which it might do for its own purposes; to invest and deal with its surplus funds; to enter upon and break up highways, streets and public bridges and to construct telephone lines along, across or under the same or in, under or over watercourses, rivers and lakes, subject to the approval of the city or municipal council where the proposed works are to be situated within a city or municipality, and in other cases subject to the approval of the Minister of Lands; to construct works on its own property; subject to obtaining consent under the Navigable Waters Protection Act of the Dominion of Canada, to construct, lay and operate submarine telephone cable or cables in any lake, river or water to which that Act applies also between any islands in British Columbia and between such islands and the mainland; to cut a passage for its lines where such lines pass through woods subject to compensating the owners thereof for damage, and to trim trees on or extending over highways in order to prevent interference with good telephone service to purchase the whole or any part of the undertaking of any other company having objects in whole or in part similar to those of the company, or to amalgamate with such other company, and to transfer to the company or to the amalgamated company, as the case may be, all or any of such franchises or statutory powers as may be possessed by such other company; to enter into and carry out any agreement with any company whose undertaking is purchased as aforesaid in the nature of assuming the payment of or guaranteeing the payment of principal and interest, or either, on bonds, debenture stock or debentures, or assuming or guaranteeing the carrying out of its obligations or any part thereof; to enter into agreements for connecting its system or lines with those of other telephone operators to expropriate lands under the powers of the Land Clauses Act; to make regulations for its internal management; to fix from time to time a tariff of charges for its services, and to collect, sue for and recover the same; to borrow money; to issue preference shares debentures or debenture stock either redeemable or irredeemable; to issue shares with or without nominal or par value; to change its name pursuant to the Companies Act, and other incidental powers.

Not Ripe

Two little children were playing in the yard, when one suddenly called out:

"Look, here's a green snake!"

"Leave it alone," the other one admonished. "It's probably no better than the ripe ones."
