· On being told that no news of disorder in Shanghai had been cabled to this continent recently, Mr. Furness declared that there was not much likelihood of trouble unless the city were overrun by the rabble of a defeated Chinese army.

The Communists were kept under strict surveillance and control by the authorities he said. Danger from them located: On Munro would only arise in the event of turmoil following an attempt of a Chinese and C. R. Fraser, Free general to seek refuge in the city with his army after defeat in the field. Such turmoil as might be expected would provide the Communists with an opportunity to break out of control. There under section 85 must be commenced was not much real likelihood of such disorder, Mr. Furness thought.

COMMENTS ON WAR Commenting on the recent successes |of the Southern cause in China, Mr.

Furness said: "It is a question whether the Southerners would run the country any bet- And Dumont and Emmerson, Defendant ter than the Northerners if they did get control of Peking.
