He Was Not Going Blind

He could not read the newspaper without headache or eyes smarting and sometimes could not even then see the print.

He was afraid, and thought he had to go to Vancouver.

A friend told him our optician had passed the same exams that opticians in Vancouver have to.

Our optician found it was just the natural eye change at that age—and the proper glasses are giving him comfort.

Our charges are also reasonable.

LONDON TIMES OWNER COMING

Will Deliver Series of Lectures Throughout Canada Under National Council of Education

WINNIPEG, Feb. 25.—John Walter, Co-proprietor with Major the Hon. J. J. Astor, M.P. of the London Times, is coming to Canada as guest of the National Council of Education. During his visit to Canada, Mr. Walter will be accompanied by his wife, the charmand gifted daughter of Colonel and Mrs. G. H. Foster of Lang Buckby, Northamptonshire.

The present John Walter is the direct descendent of the famous John Walter who in 1785 founded "The Times."

Mr. Walter will tour Canada during the months of March and April and will lecture upon the great journalistic traditions of what has been accepted as the greatest newspaper the world has ever seen.

The distinguished visitor is due to arrive at St. John on Saturday night, March 10 and his first lecture will be given in that city with Sir Douglas Hazen, K.C., M.C., chief justice of the province of New Brunswick in the chair. Fredericton, Moncton, and Sackville will be visited in turn then Halifax and Wolfville, finally reaching Montreal on Wednesday, March 21. Then continues an extensive intinerary including Ottawa, Toronto, Hamilton, London and Stratford with a visit to Niagara Falls, thence to Winnipeg and a journey to the Pacific Coast with stops for lectures at the chief cities. Part of Mr. Walter's journey while in Canada will be over the lines of the Canadian National Railways.

PARKS BOARD HAS MEETING

Civic Beautification Discussed at Gathering Last Night—Many Suggestions Offered

A number of valuable suggestions in the matter of city beautification were offered at a meeting last night of the parks' board in the Mayor's office and adjournment was taken for the purpose of having a resolution framed for presentation to the city council as well as the Canadian National Railways, Grand Trunk Pacific Development Co. and provincial government, all of which will be asked for co-operation. It is possible that the matter may be further dealt with at a special meeting of the council next Monday evening.

Those present at the parks' board meeting were Acting Mayor Theo. Collart, who presided, Ald. W. J. Greer, J. C. McLennan, Fred Riffou and City Solicitor E. P. Jones.

DELIGHTFUL SOCIAL EVENING WAS HELD

Music and Refreshments Enjoyed at Gathering Last Night Under St. Andrew's Society Auspices

A very enjoyable social evening took place last night in the rooms of the St. Andrew's Society when between sixty and seventy persons enjoyed a splendid musical program after which refreshments were served. There was also community singing which was led by W. Vaughan Davies who, with H. N. Brocklesby, played the accompaniments of the evening. An outstanding item on the program were the cornet solos by Master Robert Reid, young brother of Mrs. C. L. Youngman, who recently arrived from Scotland. J. S. Irvine, president of the society, occupied the chair and the program was as follows:

Quartette—J. E. Davey, J. A. Teng, Messrs. Blott and A. Clapperton.
Songs—Mrs. H. C. Fraser.
Bagpipe selections—Piper H. Smith.
Cornet solos—Master Robt. Reid.
Songs—Mrs. H. N. Brocklesby.
Quartette—Mesdames Brocklesby and Fraser, and Messrs. Davey and Clapperton.
Song—J. A. Teng.
Duet—Messrs. Smith and Clapperton.
Song—John McLean.
Song—A. Clapperton.

Refreshments were served during an interval, the committee responsible for the arrangements consisting of A. Clapperton, Mrs. Jack Watson, Mrs. J. S. Irvine, Alxe. McLeod, Dave Findlayson and J. Erskine.

Howard Steen attended the door.

PORT CLEMENTS MAN GOES TO HOSPITAL

Tells About Operations for Polq Export Business This Season

W. J. Rennie of Port Clements arrived in the city yesterday and last evening went to the hospital for treatment. He expects to be in the city for the next two weeks.

Telling of the new pole camp going in at Port Clements, Mr. Rennie says Contractor Erickson and fourteen men are putting in a pole rail line to Mayer Lake, a distance of about four miles. On this line they will haul out the poles for the Baxter Company, quite extensive operations being planned.

Mr. Rennie is in the truck and dray business at the port.

SPORT CHAT

All the contestants at the winter sports of the Olympic Games at St. Moritz, Switzerland, had to be examined by a committee of doctors before and after contesting in the strenuous competitions. By means of modern andprecise scientific methods it has been possible to obtain a clear picture of the action of the heart and other organs in relation to extraordinary exertions such as a climb of 1800 meters. The medical research was extended to hockey players, speed skaters and others. A meeting was held at the close of the games when the doctors were given the opportunity of discussing the results of their examinations. The founding of an International Medical Society is planned, for the purpose of exchanging ideas with regard to physiology, hygiene and pathology in physical exercises, which will lead to and confirm the sports-medical knowledge obtained from the Olympic summer games at Amsterdam.

"Duck-on-the-rock," as played on thousands of corner lots and beaches during the summer months, whereby the contestant throws stones at a rock set on top of a flat base, and then attemps to retrieve the thrown stone without being tagged by a "keeper," was probably one of the first types of bowling known, and is perhaps one of the oldest games in the world. From this crude game, believed to have been indulged in by the cave men centuries ago, has grown a pastime which represents an investment of millions of dollars on this continent. How many people in Canada indulge in indoor bowling is not known definitely, but a quarter of a million would be a very conservative estimate. In the early days, the game was a crude affair, played on any available space, and with stones, often in their natural and lopsided forms, were used in place of balls. Wherever it came from and how it was adopted, bowling has a tremendous appeal to the masses, and alleys in Canada are crowded nightly. There are leagues of every description, with women contestants as well as men. But there is a big difference in the "rock" bowling of past ages and the alley game of today.

BASKETBALL INTERESTING

Prince Rupert Beat Port Simpson in First Game of Championship Series

HIGH SCHOOL DEFEAT LEAFS

One of the season's largest basketball crowds attended last night's games, the features of which were the match for the Northern British Columbia championship in which Prince Rupert All Stars defeated Port Simpson Athletic Club 44 to 31 and the ladies' games between the old Maple Leafs, for years champions of city and district, and the High School, past season's champions, which the latter won by the narrow margin of 9 to 8. The third game of the evening was a lively Intermediate league tilt in which the champion High School nosed out over Big Four by a score of 27 to 25.

Cheered on by a crowd of rooters from their home town, Port Simpson played a fairly good if rough game but the locals were never endangered, leading 27 to 18 at half time. Referee E. A. Mann handled the game and retired no less than four Port Simpson players from the floor for personals—Mather, Musgrave, White and Moody. George Mitchell of Prince Rupert was also put off.

The ladies' game attracted much interest and the enthusiastic crowd was on its toes all the time. The Maple Leafs led 8-6 at half time, failing to register a single counter in the second period. Harry Menzie refereed.

The Intermediate League game was a keenly contested affair with honors even, 12 all at half time, the High School outscoring Big Four in the second period.

The Port Simpson Athletic Club team returns home this afternoon, accompanied by its supporters as well as a local team which will play in the second game for the championship tonight.

Details of scoring last night were as follows:
