Ladies—High School, 15; Drill Team 13

Intermediate — Big Four, 33; High School, 29.

Senior—Native Sons of Canada, 25; Elks, 21.

The second half of the basketball season was opened last night with three games of high standard and most interesting. The matches, all of which were won and lost in the second half, were tightly contested and followed with keen enthusiasm by a fair-sized crowd of fans.

In the Ladies' League, the Drill Team was ahead 10-8 at the end of the first half but the High School came up from behind in the second period and won 15 to 13.

There was also an upset in the Intermediate League when the High School, leading 15 to 10 at the end of the first half, lost out to Big Four as a result of the second period by 33 to 29, the taxi men thus coming within one game of the leadership.

The Senior League game was a thrilling affair and well enough played until the second half when no less than five players were retired from the floor on account of personal fouls—Thomson and S. Gurvich of the Native Sons and Balfour, Mitchell and Frizzell of the Elks. The final score was 25 to 21 in favor of the Canucks, the standing at half time having been ten all.

Brick Skinner refereed all games and had a strenuous time of it.

SPORT CHAT

Hockey at Smithers, where the season was recently ushered in, is going strong. The first game of the season proved a hectic battle which went into a period of overtime before a furious Shiek offensive netted the winning goal of a 4-3 score over the Eskimos. There are three teams in the league and games are played Sundays, Tuesdays and Fridays, ice permitting.

A new covered rink in Prince George on the north side of Connaught Park is now proposed, negotiations with the city council for the securing of a site having been opened. The Prince George Rink Co. has elected officers for the year as follows: president, J. G. Quinn; vice-president, John McInnis; secretary treasurer, Percy Homewood; directors, George McCullagh, A. M. Patterson, F. D. Whitmore, B. G. Paarker, W. L. Hornsby, J. C. Pidgeon, Paul Wieland and W. J. Allan.

BEER -a Health Giving FOOD

PURE AND GOOD BEER such as brewed and bottled by us must not be looked upon as a luxury, but as a *FOOD PRODUCT*.

Thousands of working classes find in BEER a moderately-priced, healthful stimulant while engaged in hard physical labor, which besides its nourishing effect possesses other still more invigorating and strength-replacing qualities.

It is owing to its great percentage of extract together with the very low amount of alcohol that SILVER SPRING BEER possesses the qualities necessary to serve these purposes.

For sale at all Government Vendors and in Beer Parlors.

In The Letter Box

STEWART AS TERMINUS

Editor, Daily News:

Our attention has been drawn to a letter appearing in your issue of January 4 written by Louis Forkrud, dealing with railway routes from the coast to the Peace River district.

Mr. Forkrud has been misinformed in regard to the railway route from Stewart, for which surveys have been made as far as the Groundhog coal fields, as no difficulties exist other than those met with in ordinary railway construction.

A tunnel a mile long through the Bear River Pass is comparatively a small undertaking when the entire distance to the Peace River district practically devoid of heavy work is considered.

In regard to the harbor facilities at Stewart, the natural advantages of tide lands and deep water frontage combined lend themselves to low costs for the construction of railroad terminals where gravity loading of the products of the country would mean cheap hauling.

We endorse Mr. Forkrud's stand in advocating railways for the north. The Peace River district requires western outlets with short railway hauls and low freight rates, and with these in operation the prosperity of the Peace River district and Northern British Columbia is assured.

Thanking you, in anticipation of your publication of this letter.

I am, yours sincerely,

J. MORRICE.

Secretary Stewart Board of Trade.

Man in the Moon

BOTH the Canadian air league and Parliament will be meeting in Ottawa soon.

NO one would mind musicians playing by ear if it were not that we have to listen by ear.

THE new mayor and council start their career by swearing. What can be expected under such conditions?

A MARRIED man does not make a very good soldier. He is too much in the habit of losing battles.

IN kicking about his lot
He shows a lot of nerve
We sure would have an awful time
If we got what we deserve.
