Help Ourselves by Helping Others.

Sir Donald Mann says that the development of the mines of northern British Columbia means a good deal to Prince Rupert because this port is the base of supplies and the route by which most of the visitors reach them.

Will B. C. Get Benefit From Mines?

The Americans are making a determined effort to try to capture the trade of the district around Stewart and Alice Arm. Prince Rupert people have also been doing something and Vancouver has been strong on the job.

The Senate Not in Line With Progress.

The Senate of Canada is out of touch with the people. It is an irresponsible body and has no sense of obligation to act in unison with popular opinion.

During the session just concluded there were two laws that the Senate killed. One of these was an amendment to the criminal law of Canada and the other was the Liquor Act.

Grave Miscarriage Of Justice.

In the Smith liquor case under which a man was convicted of selling liquor contrary to the Prohibition Act there seems to have been a grave miscarriage of justice.

We know nothing about law and nothing about Smith, but such a fool reason for quashing a judgment of the local court could have occurred to no one but a lawyer.

New School Bylaw To Be Submitted.

A new school bylaw is to be submitted to the ratepayers in the near future. It is to be a permanent building and will be located on Acropolis Hill near the athletic grounds.

The welfare of the children should be the one factor in deciding to erect a new school building. Everyone admits that it is needed. Most people admit that Acropolis Hill is the best place for it.

Eastern Prices on Community Silver

We just received a copy of the Robert Simpson Co. catalogue and find that our prices on Community Silver are exactly the same as theirs.

Other things we can prove it by are Big Ben clocks. Waltham and other watches. Waterman pens, Rogers silver and almost any well known article.
