A few for you

Is there anything wrong with your eyes, ears, nose or throat? If you have been blind or deaf for years, have lost voice entirely, don't give up hope, but investigate Chiropractic.

2 Have you, so-called Rheumatism, Pleurisy, Catarrh, Asthma, Bronchitis, Tonsilitis, Goiter, Paralysis, Locomotor-Ataxia, Epilepsy, Dyspepsia, Constipation, Piles, Insanity, Appendicitis or a Constant Headache? Chiropractic will adjust the cause and permit nature to bring about a cure.

3 Have you stomach, lung, heart, liver, kidney, bowel or bladder trouble? 4 Have you Sciatica, Gallstones or Diabetes? The results are wonderful. Try

Chiropractic. 5 Perhaps you have stiff joints in the arms or legs that you cannot use naturally. This system brings forth a transformation.

6 Our methods not only stimulate, but eliminate the cause, thus permitting nature to perform her work. Health is the greatest blessing we can have.

LONDON, Jan 17 .- Jewel thieves on the lookout for a rich haul would have been splendidly rewarded if they could have succeeded in carrying away some of the £1,000,000 (\$5,000,000) worth of precious stones exhibited at the May Fair Hotel by the National Jewellers' Association of Great Britain recently. As the show was intended to demonstrate how modern jewelry can be most beau-Commencing at a post planted at tifully worn a series of mannequins appeared wearing frocks from Paul Caret, who had chosen and assembled appropriate jewelry for each dress.

The jewels, plainly set for the most part, were very large, very brilliant, and said to be immensely valuable. There were triple ropes of wonderfullymatched pearls and necklaces of carved emeralds, sometimes hanging in a shower of diamonds. These huge emeralds and diamonds were so numerous that they quite cast into the shade the simpler beauty of some necklaces of plain round opals. The brooches were rather heavy in design, resembling very closely the modern artificial jewelry which gains its effects by large flat masses of color and light.

Although so many diamonds dimmed one's eyes and one's senses of value, so that a ring introduced as "ihis ring-Swift's Bacon in the piece or half only worth \$5,000," seemed a small, ineffective thing, it was difficult to forget the beauty of a mannequin with one Burn's Shamrock Hams, whole or perfect rope of lustrous pearls lying Half one, per lb. 35¢ against her lime-green frock, or the bar-Swift's Circle (S) Picnic Hams, baric loveliness of huge carved emeralds per lb. 24¢ between the wearer's black hair and her Capitol Butter Bricks 45¢ gleaming white satin frock.
