# Just Unce

IF Father would take his turn at the tub just one time, old fashioned washday would vanish from your home forever. He would insist, for your sake, and for the general good of the family, that you let us shoulder the woes of washday. That's our job you know. We're organised for it. We can do the work more quickly and economically than you can. And you may doubt this, but it's a fact that we'll do it better, too. That's because we have facilities no home laundry could possibly have.
