ANNUAL NOVELTY PRINCE RUPERT

Crowd of One Hundred and Fifty Sixty Couples Present at Delight-Persons Entered Fully Into Spirit of Occasion Last Night

With a crowd of some 150 or so persons entering fully into the spirit of the ccasion with great enthusiasm, the annual novelty dance last night in the Moose Hall by the local lodge, Benevolent and Protective Order of Elks, was a most enjoyable event.

Dancing was in progress from 9 p.m. until 2.30 a.m., splendid music being furnished by Alf. Smail and his Elks' Orchestra which was most generous in responding to constant demands for encores. The hall was prettily decorated and, at midnight, balloons, serpentine and other novelties were released, much to the delight of the throng of dancers. At midnight, delicious refrashments were served in great abundance.

Douglas Frizzell was master of ceremonies with W. D. Vance presiding at the door, other members of the energetic committee in charge including Eddie Clapp, Mike Budinich, E. C. Bayliss, A. Donald and Alf. Smail.

in singing the famous Hallelujah Chorus. As a result of this the greater portion of the audience brought with them copies of the "Messiah." Sir Herbert asked those who knew the chorus and Intended singing to do so with the reverence due to so great a work. With the society's chorus of 400, a full orchestra and the Colston Hall organ-one of the finest in the country - the audience sang in perfect harmony. Sopranos, contraltos, tenors and basses, in all parts of the hall, sang their respective parts. Perfect time was kept, and so impressive was the rendering that many were in

The climax came before the final Hallelujah. There was silence while Sir Herbert held his baton aloft for a second or two; then the four final thords orashed out with wonderful effect. Sir Herbert Brewer's daring experiment had been more than justified.

LEAGUE AT SIMPSON ON REVIVALIST TOUR

Nine members of the Epworth League of Port Simpson, under the leadership of Sam Bennett and accompanied by other sympathizers, who are to make a tour of various Indian villages along the Skeena River for the purpose of holding religious services in the endeavor to stimulate and strengthen the spiritual life and help the workers at the various missions visited, met last night in the First United Church of this city for a conference and devotional service. Mr. Bennett and other members of his party were heard from and Rev. A. Wilson, pastor of the local church, spoke a few words of greeting and encouragement. The revivalists left this morning for up the line.

Archie Edwards and William Mortimer, charged with stealing a mide on a Canadian National Railway freight train from Pacific to Prince Rupert, were dismissed with a warning in city police court this morning. The men were alleged to have "bummed" their way to town in a box car, being apprehended by C.N.R. Constable Alex Martin on dis-Valentin Dairy | embarking in the yards.
