Victor Answers.

--- an important question. Last week we asked you to "Watch Victor". For some time now—people have been "Watching Victor". Among other things,— they have been wondering why Victor has not brought out a radio set.

Up to now—Victor has not brought out a Victor Radio set because nothing had seemed good enough to offer the public as a product of Victor Standard.

In other words, BETTER THAN THE GENERAL STANDARD.

To-day, the object has been achieved. Victor standard has been obtained in a radio set. Victor now announces its new Victor (all electric—just plug in) Radio. A radio instrument that is new, revolutionary, and alone among instruments which operate directly from the light socket. The instrument you have been waiting for.

THE NEW VICTOR RADIO (all electric—just plug in) receiving instrument is of such design that it will answer the most exacting modern requirements. Technicians who view it, say it is the most expertly designed, electrically and mechanically, of anything they have ever seen or heard. That is of course, a natural thing to expect from a Company renowned as builders of highest quality sound reproducing instruments.

These marvelous new radio instruments are just beginning to be placed in the shops of His Master's Voice—Victor Radio dealers. If your dealer has one, be sure to hear it this evening. If he has not, then do not fail to ask him to drop you a postal card or ring you up on the telephone as soon as he receives his first one from the factory.

This new invention is not merely a radio set, but a music receiving and reproducing instrument bearing the famous Victor trade mark "HIS MASTER'S VOICE".

YOU HAVE BEEN WAITING FOR IT.

HERE IT IS!

Victor Talking Machine Company of Canada, Limited

Miss Margaret McLeod, daughter of Mr. and Mrs. Jarvis McLeod, left on the yacht Sueja III. this morning and will make a cruise to Vancouver and Seattle as the guest of Capt. and Mrs. Jas. Griffiths.

With a large passenger list, including many tourists proceeding east by train, C.N.R. steamer Prince Rupert, Capt. D. Donald, arrived on time at 10:30 this morning from Vancouver, Powell River and Ocean Falls and will sail at 4 o'clock this afternoon for Anyox and Stewart, returning here at 5 o'clock tomorrow evening and sailing south at 6 p.m.

Rev. W. F. Price, pastor of First Baptist Church, returned to the city on yesterday afternoon's train after an absence of two months during which time he visited Vancouver, Winnipeg and Lloydminster as well as attending the Baptist World's Alliance in Toronto recently. Mrs. Price is remaining with her daughter in Lloydminster for a while longer and will probably be back in two or three weeks' time.

TO THE PUBLIC

We wish to announce the opening of our new billiard and Tobacco store in conjunction with our 67 Taxi Service in our new building opposite the Prince Ruper Hotel on Second Avenue. Our business was established in 1922. Since that time through the patronage of our many customers we have been successful in erecting this commodious building for which we thank each and every patron. We assure you of our continued service, courtesy and promptness we have given in the past, in our Taxi Service.

We have established ourselves in business here to remain and therefore invite each and everyone to visit our new building which is open to public inspection every day. The building was constructed by the local firm of Messrs. Mitchell & Currie which is no doubt a credit to its builder and the city.

Southbound to Vancouver from the Naas River, Frank Waterhouse freighter Robert H. Merrick, Capt. J. C. Sutherland, called last evening at Prince Rupert cannery in Tucks Inlet to pick up a parcel of canned salmon.

George McAfee, manager of the Big Bay Lumber Co., returned to the city on the Prince Rupert this morning form a brief business trip to Vancouver.
