## FIRST DOCTORS Then a Skin Specialist Then a Bottle of D.D.D.

"How grateful I am to D.D.D.—I was a sufferer from eczema for twelve years. I tried every ointment advertised for the disease. Some gave me temporary relief, I also went to doctors and specialists and with the disease only partly healed had to pay their bills. I tried D.D.D. and after the second bottle, began to see signs of healing. I used three and one-half bottles and today I am completely healed."  
 W. Butler, Suite 40, Centre Block, Fort Osborne, 284, Winnipeg.  
 Why not try this Prescription that Mr. Butler found so remarkable. We will guarantee relief on the first \$1.00 bottle, or your money back. Stop that itch today. Try D.D.D. Soap, too.
