

We Eat No Meals; Ride No Cars

WHEN you hire us to do the family washing, you are not put to the expense or bother of feeding us. We eat nothing! Neither do we ask you to pay our carfare. Instead we call for and deliver your washing. We buy our own soap, starch and bluing. Heat our own softened water. Use our own electricity, too. There's no "picking-up" after us. We take all the messy work out of your home, giving you an extra day to do the things you like to do! Yet you'll find our charges most reasonable—considerably less than it would cost you to do the same work at home. Try us, and see!

REPORT MADE OF TAXATION

Commission Appointed by Province of Alberta Makes Recommendations

EDMONTON, Feb. 27.—Imposition of a provincial income tax and increase of the gasoline tax from three to five cents are important recommendations in the report on the whole question of revenue and taxation in Alberta submitted by Dr. H. M. Tory, president of the University of Alberta and chairman of the special committee appointed by the legislature to deal with the subject. The report was tabled in the legislature Tuesday afternoon by Hon. R. G. Reid, provincial treasurer and minister of municipal affairs.

The committee sitting with Dr. Tory included, A. A. Carpenter, chairman of the board of public utilities commissioners; Edward Pinchbeck, secretary, municipal districts association; A. T. Stephenson, city commissioner; Red Deer, and A. H. Towell, manager of the provincial Hall insurance board. Robert English, deputy minister of municipal affairs, acted as secretary, and James C. Thompson, provincial auditor, served in an advisory capacity.

The committee recommends:

- 1—Imposition of a provincial income tax.
- 2—Increase in gasoline tax from three to five cents a gallon.
- 3—Repeal of the Supplementary Revenue Tax, and substitution of a Public Revenue Act.
- 4—Collection of all taxes on natural resources by provincial government, if resources are returned to the province.
- 5—Enforcement of Liquor Act provisions, taking over inspections carried on at present by insurance branch inspectors and Neglected Children's department officials by the Provincial Police if amalgamation with R.C.M.P. not carried out.
- 6—Continuation of Amusement, Wild Land and Unearned Increment Taxes as at present.
- 7—Continuation of Motor Vehicles tax as at present.
- 8—Special license for trucks used for mercantile purposes.
- 9—Imposition of property and business taxes in cities.
- 10—Creation of an appeal board regarding equalization of taxation instead of hearing of appeals before a district court judge as at present.
- 11—New method of taxing grain elevators.
- 12—Increasing fee of transient traders or peddlers from \$25 to \$50.

CANADIAN NATIONALIST BRITISH IMPERIALIST

(T.L. Church in House of Commons)
I am a good Canadian nationalist because I am a true British imperialist. The sense of Canada's nationalism increases and multiplies through our love of British unity. The true Canadian nationalist will not want to see this country a sponger on the taxpayers of the British Isles for the upkeep of the battle cruisers and a navy to maintain the safety of Canadian shores and for the protection of Canada's commerce on the high seas. The true Canadian nationalist will not want to see Canada a nation only in the advertising pages of American journals. As a nation we are a pauper as far as the actual reality goes.
