## GOLDBLOOM'S SALE OF LADIES' FUR COATS

Would you like a fur coat? And would you like to get it at one third less than the regular cost? Of course you would. Who wouldn't? The thing to do, then, is to visit Goldbloom's the old reliable fur dealer. Goldbloom is having a sale of furs before he leaves for New York. He goes next week to arrange for his purchases of raw furs and until he leaves, every article in his store is being offered at real sale prices—one-third below the ordinary price.

After being twenty years in business in Prince Rupert, Goldbloom prides himself on the number of his satisfied customers. He guarantees every article he sells to be as represented and to give satisfaction—with a money back guarantee. And no one can do much better than that!

So see Goldbloom this week about that fur coat, before he leaves for the east.

*Electrical Ambassadors*

IN order to serve the people of Canada—from those who live in the largest cities, to those dwelling in remote hamlets—the Northern Electric Company have established their direct ambassadors in strategic distributing points of the Dominion.

From these centres radiate the influence, and that personal service which the Northern Electric Company desire the public to expect of them.

These branches, therefore, enable all parts of the Dominion to share equally in the benefits that the Home Office represents and dispenses.

*Each branch is equipped to render a complete sales, merchandising and engineering service.*
