FARMER'S WIFE GETS STRENGTH TO DO HER WORK

By taking Lydia E. Pinkham's Vegetable Compound

St. John, New Brunswick.—"I was all run-down from a pain in my back and my left leg bothered me so sometimes that I was unable to do my work. I saw your ad in the newspapers and decided to give your medicine a trial. I have taken over seven bottles of Lydia E. Pinkham's Vegetable Compound and am now relieved of this suffering. I am a farmer's wife and have three children. I tell all my friends of your Vegetable Compound and I am sure that when it helps me it will help them. I am willing to answer letters from women asking about the Vegetable Compound. All thanks to Lydia E. Pinkham!"—MRS. ARTHUR N. DENNISON, 183 Wentworth St., St. John, New Brunswick.

SALE OF SALES AT MONTREAL IMPORTERS NOW IN FULL SWING

That the people of Prince Rupert are well acquainted with values, that they appreciate sale prices and know bargains, and that it pays to advertise are conclusions reached by J. B. Miller, proprietor of the Montreal Importers since the great Sale of Sales commenced last week. The values offered at this Sale of Sales have been so outstanding that customers have returned time and again after comparing prices.

The Sale of Sales still continues and you would be well advised to look into the Montreal Importers' store as soon as you can to see what you need. The stock is still full and the store is full of bargains that you cannot secure elsewhere.

JOINT-EASE For Stiff, Swollen Joints

Rheumatic or Otherwise

Says: "When Joint-Ease Gets in—Joint Agony Gets Out."

It was a high-class pharmacist who saw prescription after prescription fail to help hundreds of his customers to get rid of rheumatic swellings and stiff inflamed joints.

And it was this same man who asserted that a remedy could and would be compounded that would make creaky, swollen, tormented joints work with just as much smoothness as they ever did.

Now this prescription, rightly named Joint-Ease, after being tested successfully on many obstinate cases, is offered through progressive pharmacists to the millions of people who suffer from ailing joints that need limbering up.

Swollen, twingy, inflamed, stiff, pain-tormented joints are usually caused by rheumatism, but whatever the cause Joint-Ease soaks right in, through skin and flesh and gets right to and corrects the trouble at its source.

Remember Joint-East is for ailments of the joints, whether in ankle, knee, hip, elbow, shoulder, spine or finger, and when you rub it on, you may expect speedy and gratifying results.

It is now on sale at druggists everywhere for 60 cents a tube.

BOTH PLAINTIFF AND DEFENDANT LOST OUT

Costs and Set Offs Will More Than Cover Awards Given in Kitimaat Damage Case

Each party to the Charles Carlson vs. Charles Hansen, Kitimaat damage case, which has been proceeding in county court here for almost a week, will have to pay his own costs and that will be about all the satisfaction either side will get from the dispute. Judge F. McB. Young gave his judgment yesterday afternoon. He awarded the plaintiff $250 damages with a set off of $250 for the loss of the defendant's bull which plaintiff shot. The court decided that the defendant should return to the plaintiff a bull which he had detained or else pay the plaintiff $100 in lieu thereof. Each party was ordered to pay his own costs, which makes it a losing proposition for both.

John V. Clyne appeared for the plaintiff and W. O. Fulton for the defendant.
