Defeated St. Louis Cardinals Fine Game Last Night When Gyros Met Elks

The fans who turned out at last night's baseball game between the Gyro and Elk teams were again stole second, and took third on treated to a superior brand of another passed ball, scoring on a ball when the teams battled eight weather man did not have his best variety on hand for good ball, but the boys just forgot that little item and went out and played a great game. After the runs were scored it developed into a pitchers' battle and Loblick and Haveland had the situation well in hand at all stages of the game. It might be said, in fact, that these two Home runs by Rogers Hornsby were the whole game, because

Dido Gur-Yesterday's big league scores: vich, next up, took three healthy swipes at the ozone, but Loblick came through with his first hit. J. M. Hockin returned to the and Alex crossed the rubber with city on last evening's train from

hat record, whiffing 10 Elks.

Stephens ended the inning by whiffing. That inning ended the Elks' scoring, and when any man did get on after that first bad inning, Haveland tightened up, and, with good support back of him, came through nicely.

Gyro Runs

Haveland, first man up in the second, struck out, but Gurvich could not hold the ball and Haveland was safe at first. He then sacrifice hit by McKeown. In the innings to a 3-all tie. The third Moran singled cleanly to right, stole second and took third on Haveland's grounder, which was fumbled by Mitchell. He then stole second, and both men scored on McKeown's short single to centre. McKeewn was out trying to stretch his hit, being run down between first and second. That ended the stanza and all the scoring, the two hurlers breezing along nicely until the game was called in the eighth inning, the fog which had been around all evening then getting so thick that the fielders would have needed compass each to find the ball. Harold, playing center field, did ose one ball in the fog, which hit him in the face, and he had to leave the field.

The Ford New Town Sedan is the last word in luxurious appointment. Three large windows provide a light, airy interior. The driver's seat is djustable. An arm rest lets down in the centre of the rear seat and the floor is lowered to give added leg 700113.

Grips with

Silent Power

The smooth, even brak-

ing of the Ford car

yields more advantages

han maximum safety at

all times, since it makes

tires last longer and

adds immeasurably to

riding ease and driving

comfort.

CPEED to carry you along the wide, clear highway; road balance to give you unlimited confidence on the turns; brakes to slow as though by magic the flying landscape on either side—these are your passports to happy motoring with a Ford car.

Ford engineering has developed a new principle of weight distribution that gives the Ford car a tendency to hug the road when travelling rapidly. The engine, the heaviest part, acts in a sense like the barb to the arrow in flight. Torque tube drive transmits thrust to the front of the car. Unique transverse, semi-elliptic springs and the finest shock absorbers in the world, Houdailles, deliver balanced, smooth riding. Therefore, when speedy travel is required, the Ford car develops a road tenacity hitherto unknown in the light car field.

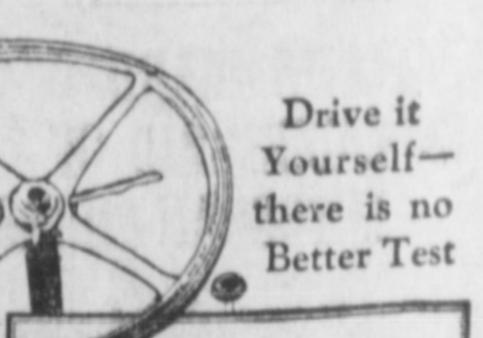

LOW UPKEEP-The maintenance of Ford performance is in keeping with Ford traditions; given care and proper attention, no other car on the road may be driven at less cost per mile. And the price of the Ford car spread over a number of years of motoring pleasure and satisfaction, reduces to an absolute economy this mode of comfortable, convenient transportation.

DEMONSTRATION-Ask your Ford dealer to let you drive a Ford car. He will be glad to take you out. Select the steepest hills, the heaviest going-you will be amazed

at the power at your command. Head for the busiest streets. Drive alongside other cars. Try the quick getaway, the swift pickup in second, the easy gearshift. Feel the smooth, sure action of the six brake system.

A demonstration will convince you of the outstanding merit of the Ford car. Drive it yourself, there is no better test. Also request your Ford dealer to show you the hidden, inbuilt quality features of the car which make it so enduring.

> TIME PAYMENT-If you prefer to buy out of income you will find the authorized time payment plan offered by all Ford dealers most attractive.

Ford Car Features
