

GIVES ADDRESS ROTARY CLUB

Dr. Siebert of Chicago Tells of
Lutheran People and Work
in City and Canada

The Rotary Club yesterday heard an interesting address from Rev. Dr. Siebert of Chicago, who with Professor W. H. Frederick of Seattle, is making a tour of the north on behalf of the Lutheran Church.

Dr. Siebert said they came not as strangers. They had travelled all over Canada and had learned to like the Canadian people and institutions. They had found the same unfailing courtesy and kindness and he hoped and believed Canadians received the same when they went to the United States. One of the features of the work of the Lutheran Church was to cultivate cordial relations between the two countries. The Church had educational institutions in Edmonton, Saskatoon, Regina, Cameron and Winnipeg, and a Theological College at Waterloo, Ont. He had visited them all and they were doing splendid work, training a fine lot of young men who were taking their place in the development of Canada.

In Prince Rupert, the speaker said, nearly one-third of the people of the city were of the Lutheran faith. They made homes here and he was sure they were welcomed as long as they kept the laws. They were Norwegian, Swedish, Icelanders, Danes, and a few Germans, and were loyal, honest, law-abiding and industrious. They were given an equal opportunity with others and were producers of wealth.

Dr. Siebert spoke of the wonderful sights he had seen here. He had never before seen such fish and such a cold storage plant.

George Rorie, the president, thanked the speaker and welcomed several visitors.

The Misses Lawrence played two violin and piano duets most artistically and acceptably.
