Ten Years Ago
In Prince Rupert

November 5, 1919

Visitors in town from Stewart state that that camp is now coming into its own and that the present renewed activity in the Portland Canal district is permanent. The Premier is the only mine so far shipping but many others will soon be brought into that class, it is stated.

The death occurred recently in the Prince Rupert General Hospital of Mrs. Benjamin Bennett of Seal Cove.

Over one hundred new names were added to the civic voters' list as householders and licence-holders.

Man in the Moon

Christmas'll be here before you are ready, if you don't watch out.

Jake says he's begun to save money for the celebration and he already has seventy-five cents set aside in the boy's bank to be used for that purpose.

What shall I buy for father
And what shall I buy for sis?
I must think of it soon
Within the next moon,
It never would do to miss.

Jake says he read something in the paper about a mean temperature but he says that's nothing. In some parts of Canada in which he's lived there's a mean temperature all the time.

NO HOG

"Have you anything to say, prisoner, before I pass sentence?" asked the Judge.

"No, your honor, except that it takes very little to please me."—Boston Transcript.
