You'd think the water ought to hard in this town considering the way it rains sometimes.

Is better, oh, better by haugh Than the bird who awakes With a groan for his akes And bellers about like a caugh.

For woman woos with honey Man he woos with money So wouldn't it be funny If there was no money honey.

Eve says woman is never contented with her lot. She is always after some change.

Woman will do a great many things but she won't do as she is expected.

Some women are kissed by fools, scalp treatments. others are fooled by kisses.
