

## What Eye Glasses Are For.

GLASSES have many uses, but only one purpose—the restoration of the sight to a natural condition.

YOU were intended to see well and easily. If you do not—then you should make haste to discover the trouble and apply a remedy.

THE want of a pair of suitable glasses may be all that prevents you having visual perfection, health and comfort.

LET us examine your eyes and tell you whether or not this is so.

## ONE TENDER ON FEDERAL BLOCK

Owners Explain Position in Reply to Resolution Passed at Meeting.

A resolution was passed recently by the veterans protesting against the letting of a contract by the owners of the Federal Block to Fred Schulze. The following letter has been sent them in reply:

"Since tenders were asked for through the press for the shingling and painting of the above building and the work awarded it has come to our notice that there is dissatisfaction among certain members of your association and we desire to make clear the facts of the case, which are briefly as follows:

(a) The officers and members of the company hold in the highest esteem your association, and it was stipulated in the advertisement calling for tenders that the lowest or any tender was not necessarily accepted.

"(b) That there was but one tender for the painting of the building, therefore the only alternative was to allow the building to go unpainted or award the contract accordingly.

"(c) That the successful tenderer is a British Subject.

"(d) That the said tenderer, on being informed that his tender was accepted, at once ordered the paint for the work.

### A New Offer.

"In deference to the wishes of your association, we have arranged with Fred Schulze, who was the successful tenderer, to suspend the awarding of the contract provided the paint is taken off his hands at cost, in view of which we are now in a position and are pleased to make you the following offer, notwithstanding the fact that no member of your association tendered on any portion of the work:

"That you, as an association, or any member of your association, may until 5 o'clock p. m. Monday, July 21, next, elect to contract for this work upon the same terms and under the same conditions as those under which the contract was awarded, plus ten per cent (10%), you to take over the paint already purchased for the work at its cost to the successful tenderer. All work, of course, to be done in workmanlike manner, by competent workmen and to the entire satisfaction of the company.

### Act at Once.

"On account of the advanced season and the necessity for having the work performed during favorable weather we must respectfully ask that you elect to accept this offer before the time specified, otherwise the company will feel at perfect liberty to award the work as it seems best in the interests of the shareholders.

"Yours very truly,

"NORTHERN B. C. DEV. CO., LD.,  
"M. M. Stephens, Secy.-Treas."

## "THE SAVAGE WOMAN" IS A WIERD TALE

Is Taken for Reincarnated Queen of Sheba by Dusky Natives.

"The Savage Woman" presented by Clara Kimball Young and her own company at the Westholme Theatre tonight shows this celebrated star in the role of a young girl brought up in the jungle.

Renee is mistaken for the reincarnated queen of Sheba while wandering about the ruined palace of the dead queen. A native prince desires her for his bride but is blinded for a moment by flashes from her mirror while she makes her escape. Fleeing from one man she is caught by another. Lerier, a French explorer, shoots her and binding up the wound, falls in love with her dusky beauty.

When Lerier returns to France he takes her with him and she is happy in his house, until she realizes that Lerier, tiring of her simplicity, has returned to Aimee Ducharme, his former love. In a rage, Renee destroys a relic which Aimee had brought from Cyprus to Lerier and then remorseful sets out for Abyssinia to secure another to take its place.

The climax comes later.

Mrs. A. Jones arrived from Anxox on the Grand Trunk steamer yesterday evening and is registered at the Prince Rupert Hotel.

## Synopsis of Land Act Amendments

Minimum price of first-class land reduced to \$5 an acre; second-class to \$2.50 an acre.

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partnership pre-emptions abolished, but parties of not more than four may arrange for adjacent pre-emptions with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres, before receiving Crown Grant.

Where pre-emptor in occupation not less than 3 years, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$200 per annum and records same each year. Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 640 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons joining and serving with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year for the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 26, 1918. Taxes are remitted for five years.

Provision for return of moneys accrued, due and been paid since August 4, 1914, on account of payments, fees or taxes on soldiers' pre-emptions.

Interest on agreements to purchase town or city lots held by members of Allied Forces, or dependents, acquired direct or indirect, remitted from enlistment to March 21, 1920.

SUB-PURCHASERS OF CROWN LANDS.

Provision made for issuance of Crown grants to sub-purchasers of Crown Lands, acquiring rights from purchasers who failed to complete purchases, involving forfeiture, on fulfillment of conditions of purchase, interest and taxes. Where sub-purchasers do not claim whole of original parcel, purchase price due and taxes may be distributed proportionately over whole area. Applications must be made by May 1, 1920.

GRAZING.

Grazing Act, 1919, for systematic development of livestock industry provides for grazing districts and range administration under Commissioner.

Annual grazing permits issued based on numbers ranged, priority for establishment of stock owners. Stock owners may form Associations for range management. Free, or paid, for free, permits for settlers, campers or travellers, up to ten head.
