

Man in the Moon

Dodging income tax by not reporting is doubtful wisdom. Tax officers have a way of digging up past sins of omission.

Magistrate: "What brought you here, my man?" Prisoner: "Two policemen, sir." "Drunk, I suppose." "Yes, sir, both of them."

John had been an abstainer for twenty years, but fell from the wagon at a party. He sent his boy for a bottle of whiskey. "But," said the hotel proprietor, "who's it for?" "For my father," said the boy. "Nonsense. Your father is a total abstainer." "To let you into a secret," said the boy, "he's going fishing, and wants the cork to use for a float."

Showers come before marriage but Jake says storms follow.

When you see honesty written on a man's face remember there are such things as typographical errors.

The latest thing for married couples is to have the first dance together to the radio before they leave home then they are free to dance with others at the ball for the rest of the night.

There was a man in our town The chump thought he was wise;

He swore (it was his policy) He'd never advertise, But, one day, he advertised, And thereby hangs a tale— His ad was set in six-point type And headed "Sheriff's Sale."

If you fail to see your duty, your neighbors will not be that short sighted.

They say that owing to the lack of water at Ocean Falls this spring, the frogs had to be kept alive in swimming tanks.

"I saw Brown the other day. He was treating his wife in a way I wouldn't treat a dog." "Great Scot! What was he doing?" "Kissing her!"

He: "I suppose you'll tell me that some idiot proposed to you before we were married?" She: "Certainly!" "Why didn't you marry him?" "I did!"

Ten Years Ago in Prince Rupert

March 26, 1919

The Prince Rupert Symphony Orchestra, under the leadership of H. A. Harvey, made its first public appearance last night in the Empress Theatre for the benefit of the Army and Navy Veterans, the performance being a very creditable one. Among those who took part, besides the orchestra, were Frank Moore, Miss Moya and Jean Bailey, Miss Lillian King, Miss Edmonds, Will Browne, J. Toomey, Alex Rix and Fred Stephens.

R. W. Martin, well known Stewart mining man, predicts that \$2,000,000 worth of ore will be shipped out of the Portland Canal district this year and that the district will soon have a population of 2,000 people.

Following the settlement of the dispute with the fishermen, half-bait boats of the Canadian Fish & Cold Storage Co. are now being put in shape to resume fishing operations.

EMBARRASSING MOMENTS

SO MANY HUSBANDS DEPEND ON ME

A fable for British Columbia Housewives

She saw them in her kitchen—a host of elf-like men. A miller, a soap maker, a travelling salesman. A band of Lilliputians, each representing some one local industry in which her fellow men and women are employed.

Back of each local product she saw ambitious families just like her own. That is why she enjoyed a sense of pride and loyalty every time she purchased the products of her fellow men. In every room in her house she saw the vision of the elfine workmen, for the articles of her home from attic to basement were the products of her home land.
