### RUBBERS! Cut in Price

Rubbers and rubber goods have been reduced in price owing to the reduction of crude rubber.

We are offering the following rubber boots at bargain prices:

NOOTKA BRAND—3-4 length. Per pair .....\$6.75

AMES—HOLDEN COYS' RED SOLE—3-4 length, per pair \$5.75

BOYS' 3-4 LENGTH .....\$4.75

MEN'S KNEE BOOTS .....\$3.95

We also handle the Northern Rubbers at the same prices.

Owing to the fact that little new work is to be done on any of the plants, operations preparatory to the 1929 packing season at the various salmon canneries in Prince Rupert district are fully a month later than usual in getting under way this year. By the first week in March, the most of the crews are usually on hand but this year North Pacific cannery in the Skeena Slough was the only one of the many plants that had its men on the job at that date although Claxton is working on its cold storage plant. The end of March will see most of the crews coming north to get the season's work started.

Canning operations will not get fully under way until about June 20 when sockeye fishing commences. A few of the canneries may be working on spring salmon before that date.

Woman Praises Lydia E. Pinkham's Vegetable Compound

Sarnia, Ont.—"I am willing to answer letters from other women, to tell them the wonderful good Lydia E. Pinkham's Vegetable Compound did me. I cannot be thankful enough for the benefits I received during the Change of Life. I do housework and my troubles made me unfit to work. A friend advised me to try the Vegetable Compound. I felt great relief at once, began to regain my appetite, and my nerves got better. I will recommend your medicine to all with troubles like I had."—Mrs. JOHN BENSON, 162 N.
