## *An Up-to-date Optical Dept.*

We pride ourselves on our complete equipment for accurate testing of the eyes. No longer must we replace lens after lens in front of your eyes till we find the correct one. Our new automatic instrument can change to any combination in a second and does not tire you out. Mr. Jack Bulger took the full course required by law covering six months in 1925 and got his diploma with honors.

We subscribe to the leading weekly and monthly optical journals and any new methods are always noticed and adopted if suitable.

We are sure we can suit you.

## *To Guard the Family Health*

The man who cares two pins for the health of his family should immediately investigate the home heating question. He will find WARM AIR the HEALTHY WAY of heating the home, and he will be led to the McClary Sunshine Furnace as the most efficient system of sending the fresh, moist warm air circulating through the house.

It costs much less to install this guaranteed McClary Warm Air System than hot water or steam systems. And it saves a great deal of coal, as the "Ventiblast" Ring ensures that ALL the fuel is made to give ALL its heat. Burns any fuel, too! For health's sake see the famous
