FARMER'S WIFE GETS STRENGTH

By Taking Lydia E. Pinkham's Vegetable Compound

Wilton, Ont.—"I am taking Lydia E. Pinkham's Vegetable Compound through the Change of Life. It helps me and I cannot praise it too highly. I was troubled with heat flashes and my limbs were heavy so I could hardly walk to do my farm work. I saw in the newspaper a year ago about the Vegetable Compound and thought to give it a trial. The first bottle gave me relief and I have told others what it does for me. I am willing for you to use my letter if you choose."—Mrs. D. B. PETERS, Wilton, Ontario.

Sport Chat

Considerable interest promises to be taken in the Ocean Falls-Prince Rupert baseball series this week in connection with the exhibition. The improved weather conditions is tending to attract more attention to the series. The first game will be played tomorrow afternoon, the paper town players arriving in the morning on the steamer Prince Rupert from the south.

George Earnshaw of the Philadelphia Athletics, and Guy Bush, of the Chicago Cubs, probably the two greatest right-handers, if not the two greatest pitchers in baseball today, will probably come face to face in the world series this fall. That is of course, if the Cubs and A's go through with their present purpose of running away from the rest of the teams, which seems almost a foregone conclusion. A glance at the records will tell who is doing the most effective pitching in the National League. Up until very recently Bush had lost but one game, although he had appeared in 34 contests. Of these he had won 15, which indicates that winning 20 games will be a dead cinch for "Mississippi Guy." And the 20 mark is by no means out of his reach when one considers that as a rule Bush is a late starter and usually does his best work at the fag end of the grind.

Earnshaw's case is more sensational. He was not expected to bear the brunt of the work when the season started. He had only joined the Athletics in mid-season last year, and although Connie Mack said he was a very bright prospect, little did anyone figure he would take the play away from Grove and Walberg, the two great southpaws. That is just what the big boy has been doing. Grove and Walberg have been going like two left-handed houses in full blaze. For that matter, they are still going well enough and are not causing Connie Mack any sleepless nights. But in recent games both have had bad spells. Earnshaw, meanwhile, has run his string of victories higher than either of the two left-handers. Not every year are the two greatest flingers in their respective leagues lucky enough to bet into the big money. It is almost a baseball tradition that each year the top twirler is working his heart out for a team that is down in the race.

FOOTBALL PLAYER IS DISQUALIFIED

SEATTLE, Aug. 27.—Chuck Carroll, law student of the University of Washington, has been disqualified from playing football this coming winter in amateur ranks because he agreed to help out the former coach in training the players. He was doing this without charge, he declares.
