PROPOSED NEW

PROVINCE

A correspondent asks what steps can be taken to secure the formation of a new province. If our correspondent is a member of the Board of Trade he should induce all members of the Board who favor the new province to attend the monthly meeting tomorrow night, when it is to be supposed delegates will be chosen to attend the convention of the Associated Boards of Central British Columbia. If the matter is to come up Macdonald. at that convention it is necessary to have delegates pledged to supolutions committee includes a resolution on the subject to come before the gathering.

Nothing can be done until there is a crystallized public opinion in favor of the movement.

IMPROVEMENTS TO

rand Jury at Supreme Court Assizes Submits Recommendations to Mr. Justice Fisher

The Grand Jury of the Supreme ourt Assizes made an inspection of King Edward High School yesterday afternoon and submitted a Liberals Have Candidates in Every report recommending certain improvements and alterations to the remises. These recommendations will be submitted to the proper quarter by Mr. Justice Fisher, and in due course will come before the local school board.

After making its presentment, he Grand Jury, of which Charles . Gilbert of Terrace was foreman, was excused from further ttendance at the Assize.

The Grand Jury's report read: We find that the fire escape is in an unsafe condition and recommend that it be replaced with new and substantial one. We further recommend that a fire underwriters' standard fire door leading from the furnace room in- the Liberal nominee. to the main school building relace the present one. Otherwise we find the condition of the build- MARINE AND ESSUERIES ing to be excellent."

EDITORIAL New Labor Cabinet Is Completed and Will be Announced

Work On Unemployment Problem Already Commenced and Thomas Likely to Have It in Charge as Member of Cabinet

LONDON, June 6.—The new Labor cabinet has been completed, it is understood, and the list of ministers will be made public tomorrow night by Premier J. Ramsay

It is rumored that Rt. Hon. J. H. Thomas may undertake the task of solving the unemployment problem which port it and also to see that the res- Mr. Macdonald intends to assign to a member of his cabinet. Mr. Thomas, it was stated today, has a plan for dealing with unemployment which involves railway reorganization, the development and revival of trade and the pensioning of aged workers.

In connection with the pensions scheme, Mr. Thomas, it is said, will provide men of 60 or 65 with an adequate state pension to enable them to retire and will replace them with young men at present unemployed.

Ramsav Macdonald announced today that work on the SCHOOL ARE URGED problem of unemployment had been already started.

Only Criminal Case Quickly Dis. posed With Stiff Sentence

It took only a few minutes yesterday afternoon to dispose of the buy criminal case at the present. ession of the Supreme Court Assizes in Prince Rupert, Jackson Collison, thirty-five-year-old bespectacled native of Klemtu, being sentenced to two years and six months' imprisonment dating from time of arrest on January 15 last with ten lashes, by Mr. Justice Alexander Fisher on a charge of rape to which he pleaded guilty. After the plea had been entered, His Lordship heard statements from Ivor Fougner, Indian Agent for Bella Coola, and Walter Barton, father of the little girl who was assaulted and cousin of the ecused, both of whom testified that this was the first time that accused had ever been in trouble and that he had enjoyed a good reputation in his village, being a married man with one young

Seaplane Passed by Here Last Evening Bound For Hyder

Pilot Eckman Flew Through Fog Over Shawatlans Lake and Landed Safely in North

En route from Seattle to Hyder, which latter place it safely reached at 10 p.m., a Washington Airways seaplane passed near Prince Rupert about 9 o'clock last night, picking its way through a rather dense fog. As far as can be learned, the plane was not heard in the city, but Rolf Walker of the city water department at Shawatians Lake reports that it passed over Shawatlans Lake flying low at 9:05. Probably the plane flew to the rear I Kaien Island.

The plane left Seattle yesterday morning and called at "ancouver en route and picked up" Oren F. Hill, Hyder druggist, who flew north in it. The ma-chaine left Vancouver at 3 11 110 RDIE SUIT o'clock in the afternoon and stopped for an hour and a half at Smith's Inlet to refuel. Another passenger on board was C. P. McKinney of Seattle. Pilot Eck-

was also a mechanic. The plane is barnstorming today at Hyder and will leave this evening for Ketchikan to take up its regular schedule between that Point and Seattle.

man was at the controls and there Mayor Only Witness This Morning and Still on Stand at Noon; Continuing This Afternoon

> The suit of Mayor S. P. McMordie, who claims the sum of \$1736.41 from Cliff Ford of London, England, to cover alterations. which he made last year to the Westholme Theatre at the order of the provincial fire marshal, is occupying the attention of Mr. Justhe Pisher in Supreme Court nere rouny. J. maynana of Vancouver and E. F. Jones of this city are conducting the case for the plainliff, while Milton Conzales is appearing for the defendant.

Mayor McMordie was the only witness this morning and was still on the stand when noon adjournment was taken. He described his lease of the theatre and negotiations with G. H. Arnold, Ford's agent, prior to the launching of Having been delayed in coming he suit. Col. McMordie testired that he notified Mr. Arnold hat, as he had failed to have the necessary alterations carried out, he (Col. McMordie), would have the work proceeded with himself and that he would expect to be rembursed by the plaintiff for ame. A good deal of correspondence and figures was presented evidence by the mayor. He also described in detail the alteraions that had been made.

Other witnesess to appear for the plaint ff will include Assistant Fire Marshal Oswald, following whose inspection alterations to the theatre were ordered, and 'ohn Mitchell, whose firm carried out the work.

G. H. Arnold will be chief witness for the defence. The case will occupy most of the day, it is expected.
