

Man in the Moon

Jonah knew a whale of a lot, but do you?

The lawyer usually opens a case and yet he seldom seems to have drinks to hand out.

A one-eyed man went to the box office at the movie one evening and asked for a half price ticket. No, that's the joke. He wasn't Aberdeen.

They sat in silence for a long time; then he spoke a little nervously. "What are you 'thinkin' about?" he asked.

He knew he had to say something; it seemed expected of him. She blushed and moved uneasily in her chair. "Never mind," she answered. "It's your business to propose, not mine."

The other day a little girl was carrying eggs along a Winnipeg street. One fell and when the girl stooped to pick it up she found it was cooked. That must have been more than 103 in the shade.

We look across the mountains, And wish that we were there, Where crops are shrivelled up with heat And rain drops are most rare.

The way to make little things count is to teach arithmetic in an infant school.

Don't worry if your job is small And your rewards are few, Remember that the mighty oak Was once a nut like you.

The place for the funny bone is in the elbow, not in the head.

CAKE?

The club members were discussing business. One finally told about his hiking trip through the South. Coming to a stream he saw a mountaineer sitting on the bank against a tree, his hat over his face, and a fishing pole stuck under one knee, the line in the water. "Hello," said the visitor, "been here all day?" "Yep," was the response from the motionless fisher. "Catch anything?" "Dunno,"—Galt Reporter.
