

Man in the Moon

If you don't watch out the flu germ 'll bite you.

A man I knew Had a touch of the flu He took three drinks And then, "achoo," He never knew what Cured him of the flu.

Grouching is one of the means the devil invented to make life miserable.

My next door neighbor Was worried with the grouch. It nearly killed him and His wife became a slouch.

And then one day He was completely cured; A local agent cornered him And got the grouch insured.

Is it any wonder that infants often yell, considering the patents they have to put up with.

One advantage Prince Rupert has over many other cities is that there is no parking space problem caused by farmers driving into town in their cars on market days.
