Strength After Childbirth

"After my baby was born I was very weak and run-down. I was not able to do any heavy work but I had to be around on my feet all day. The strain proved too great and I was real sick for about two months. My mother advised Lydia E. Pinkham's Vegetable Compound and I started to take it. You should have seen the change in me. I am now well and strong and in good spirits. I have taken the Vegetable Compound ever since if I feel my energy lacking. I also take Liver Pills and I find them a wonderful help for constipation." -Mrs. James E. Robson, Box 693, Fernie, British Columbia.
