What Eye Glasses Are For.

GLASSES have many uses, but only one purpose—the restoration of the sight to a natural condition.

YOU were intended to see well and easily. If you do not—then you should make haste to discover the trouble and apply a remedy.

THE want of a pair of suitable glasses may be all that prevents you having visual perfection, health and comfort.

LET us examine your eyes and tell you whether or not this is so.

Eastern Prices on Community Silver

We just received a copy of the Robert Simpson Co. catalogue and find that our prices on Community Silver are exactly the same as theirs. We mention this as proof that we are trying to give our customers as good service as they can get anywhere.

Other things we can prove it by are Big Ben clocks. Waltham and other watches. Waterman pens, Rogers silver and almost any well known article.
