WINNER SEEN AT WESTHOLME

"Skirts" Is Riot of Laughter and Other Parts of Program Excellent

A big crowd turned out to see Syd Chaplin at the Westholme last night and enjoyed the show to the full, for "Skirts" is a winner. It is excellent comedy and the amusing situations with which it literally teems were done full justice to by an all-round cast of capable artistes.

The famous Tiller troupe danced divinely and their dancing certainly enhanced an exceedingly bright picture. The dressings and mountings were exceptionally fine and London night life is faithfully depicted. "The Masked Menace" and a Fable complete the picture program.

Miss Cathie Eastman danced sweetly between the shows, accompanied by Piper Alec MacDonald. Miss Eastman is a dandy dancer and received many rounds of well merited applause. Tuneful syncronized music accompanied the pictures. Scottish national orchestral music was greatly enjoyed. It will be repeated tonight.

RADIO INSPECTOR HERE

A. L. Gray, inspector for the Radiotelepraph Branch, arrived in the city on the Catala last evening from Victoria. He will look into the local reception situation and will also check up on licensed and unlicensed receiving sets.

Going Upstairs Had to Sit Down Breath So Short

Mrs. H. Brousseau, Magog, Que., writes:—"For many years I suffered with shortness of breath; then four years ago I had palpitation of the heart, and was so bad I had to sit down two or three times when going upstairs. I read about

MILBURN'S HEART AND NERVE PILLS

so I got a box, and in no time I felt better, so I took three boxes more and I have never had shortness of breath since."

"OFFICER 666" AT WESTHOLME MARCH 18, 19

The annual St. Patrick's Day entertainment held under the patronage of His Lordship Bishop Bunoz is now in course of preparation and promises to eclipse anything heretofore presented for the local St. Patrick's Day celebration.

For this year by special arrangement with Samuel French of New York City, a melodramatic farce in three acts entitled "Officer 666" by Augustin MacHugh will be presented in the Westholme Theatre on Monday and Tuesday evenings, March 18 and 19, at 8:15 o'clock prompt.

The play is being staged under the direction of Jack Dougherty, who has selected a very capable cast from among local talent for this special occasion, and reports indicate that a very high class production will be the result. The play will thrill everyone from the start and an enjoyable evening is assured to all who attend. Irish music and selections by the Westholme Theatre orchestra will be rendered during intervals in the play.

Tickets are now on sale and may be exchanged at Orme's Drug store for reserve seats on and after Tuesday, March 12. No reservations, however, will be made over the telephone before 12 o'clock noon on the opening date of sale.

Was Bothered With Severe Headaches Is Not Troubled Now

Mrs. James Rossiter, Riverside, N.B., writes:—"I was bothered with severe headaches, for years, and tried many different medicines, but to no effect. One day a friend told me about

BURDOCK BLOOD BITTERS

and after I had taken three bottles I found it had done me a world of good. Now I don't know what a headache is like. I certainly have great faith in Burdock Blood Bitters."

THIRD AVENUE

PART OF POWER MONEY TO GO IN SINKING FUND

On recommendation of Robert Baird, inspector of municipalities, the private bills committee of the legislature has decided in connection with the act validating the transfer of the municipal hydro-electric system to the Power Corporation of Canada, that the city will be required to place in the sinking fund of the $375,000 that will be received from the corporation only sufficient money to cover the debenture changes still standing against the plant. Word to this effect was received yesterday afternoon from Victoria by City Treasurer D. J. Matheson, who figures out that, to meet the hydro-electric debentures when they come due, a sum of $228,253.22 will have to be set aside in provincial or Dominion bonds. The amount actually standing against the hydro-electric plant today is $208,184.79.

The city council has already agreed to meet this requirement and it is expected that, on this basis, the validating act will now go through without further delay.

The balance of the $275,000 coming from the Power Corporation will probably be used by the city in redeeming other securities, the council having discretion in the matter.
