

Man in the Moon

Jake insists that the word "Damn" as used today is not swearing but just a normal exclamation.

If you wish to be superior
As modern people am
Assume an owl's look and say
You do not care a damn.

Even if thunder is seldom heard here, people should not forget how to express themselves vigorously at times. Such for instance as when nothing is done on the Skeena highway.

Now that the ball games are being played, there will be some new heroes developed.

There is no short cut to culture. It comes largely as the result of experience.

Ten Years Ago

in Prince Rupert

June 1, 1919

The Anglican Synod, at its final session yesterday afternoon, approved the suggestion of Archbishop F. H. DuVernet that all Protestant churches should unite into one great church.

Lieut. Col. S. P. McMordie D. S. O., who lost an eye and was otherwise severely wounded while on service overseas, is expected home next week. His friends are suggesting that he be given a public reception.

A vote will be taken here tomorrow to decide whether or not there will be a general strike here in sympathy with the Winnipeg strikers.
