71TH Carnation VV on the pantry shelf there is never a shortage of double-rich, absolutely pure milk for every milk use. For Carnation can be bought a month's supply at a time—it keeps indefinitely. It even keeps several days after the tin is opened, so that there is no waste.

from your grocer.

Because Carnation is just pure, fresh milk evaporated to double richness and kept safe by sterilization, it meets every need for milk or cream. Undiluted, it takes the place of cream at one-third cream cost. Diluted it gives superior results in all cooking. It is the most completely useful milk you can buy. Order several tins or a case of 48 tins

CARNATION JELLIED RICE—One cup Carnation Milk diluted with 1 cup water, 3 level teaspoons granulated gelatin, 1/4 cup rice cooked in milk till tender, 1/2 cup sugar, 1/4 cup cream beaten stiff, fruit to taste.
