Eagles attention, meeting Thursday night. All brothers requested to attend and meet Brother W. S. Laurie. Canadian representative initiation. (236)

Chairman McMeekin reported to the school board last night that, since no tenders had been received, though bids had been invited, he had taken it on himself to authorize Eric Gee, manual training instructor, to have his classes make typewriter desks for the High School commercial class. Mr. McMeekin's action was endorsed by the board.

The Crowning Achievement of Modern Radio Research

Super-Heterodyne RADIOLA "66"

THE new Radiola "66" combines two of the greatest developments of skilled engineering . . . a Super-Heterodyne receiving circuit of remarkable performance capabilities . . . and a built-in electro-dynamic loudspeaker which ensures flawless reproduction.

Radiola "66" has the power to bring in distant stations with abundant volume. It has the sharp selectivity so necessary in congested areas.

You should see this most modern of all receivers at our show rooms and note the beauty of line and finish. Hear it, by all means, and compare it with any receiver at any price that you have heard before. Then you will realize why Radiola "66" is the crowning achievement of modern radio. Come in today and let us explain the many important refinements of Radiola "66" and our easy-payment plan which simplifies your purchase.

Radiola "66" **\$298.00** 60 Cycle
