Good Health So Cheap And So Pleasant To Take

Two biscuits with whole milk and some fruit, give energy for the hot days and are so easily digested and so full of real nutriment—for breakfast or lunch.

# FRI-JULY 6-1750

"Luck hath attended us, for this day numbers of the gentry did come to our distill house to broach the first cask of Vickers' London Dry Gin, pronouncing it excellent in flavor and quality. The labour of years has fruited, and we embark with great confidence on this business."

> In savoring this rare, smooth Gin, you, too, will pronounce it excellent in flavor and quality as the great gentlemen of London did in 1750.
