Produced 15 tons of milk

Strathmore Sylvia, prize pure-bred Holstein from the Canadian Pacific Railway Experimental Farm at Strathmore, Alberta, held the record of all Canada last year for her production of 29,371 pounds of milk and 1267 pounds of butter. She had her day-out at the Calgary Exhibition and Stampede at Calgary recently, when with others from the herd of 600 at the farm she was admired by thousands of visitors. Just to impress on them what she had done, 370 eight-gallon milk cans were arranged around the entire Canadian Pacific Holstein exhibit, these being the number required to hold the milk Sylvia produced. 1267 one-pound butter cartons formed an arch at one end, emphasizing her butter production.
