AROUND PRINCE RUPERT Shaft Hits High-Grade Ore at Topley-Richfield; Silver Cup Mill Now Running Ore; New Hoist at Duthie

Word has been received here that the high-grade ore body disclosed by diamond drilling on the Topley-Richfield property has been reached by the 30-foot cross-cut tunnel on the bottom of the shaft. The latter was sunk to the light level on January 24, after which the sump was nle 25 feet and room made for the loading platform. A lew days ago three shifts were put to work to run the 30loot cross-cut to pick up the ore body. This work is now | completed and the crews are at

PROPOSED C. N. R. BRANCH LINES

Among the lines in Saskatchewan for which the Canadian National Railways are applying to Parliament for authority construct, is one from Aberdeen to Melfort and one from Ridgedale north-easterly to a point on the Hudson Bay Railway near The Pas. The construction of these lines will bring Saskatoon and all the territory south-west of that city at large Calgary. 52 miles nearer to Fert Churchill than by any existing route.

At the same time adequate railway facilities will be provided for the people in the district between Aberdeen and Melin while the line from R'do dale to The Pas will traverse the heart of the new agricultural area which will be formed by reclamation project of the government between the Carrot River and The Pas.

The existing lines of the Canadian National Railways are shown on the map in solid black and the proposed lines broken black. The thin lines are those of the C.P.R.

DAILY NEWS' SHOPPING SERVICE

for Out-of Town Subscribers

To serve its women readers, and particularly those who live at a distance from a retail centre, The Daily News has instituted a Shopping Service. The Daily News is read by hundreds of women living far from any urban facilities for shopping and it is for these that this shopping service is primarily intended. Of course, The Daily News Shopper will attend to the man also, although he can buy a pair of braces anywhere. But not everywhere can a woman get a bit of lace matched-or a piece of embroidery thread-or the thousand and one things that make up the difference between a woman's wants and a man's.

The Prince Rupert Merchants Carry between them Stocks running up to \$2,000,000

and while it is not possible to purchase everything in this world in Prince Rupert, most things are available by return mail.

None of the Prince Rupert merchants can possibly advertise everything they carry in stock, but if the thing wanted is to be got in this city, our out-of-town readers may be sure that The Daily News Shopper will get it when asked for.

If any of our women readers cannot get what they want in their nearest store, all there is to do is to write to The Daily News Shopper, stating what is required with whatever details there may be, enclosing the cost, and if it is in Prince Rupert, The Daily News Shopper makes your purchase.

This Service Free

to our women readers and is the outcome of many individual requests made to our staff on their travels through the district in seasons past. This service has been appreciated in these individual cases and is now extended to all with the hope of the same appreciation.

So Do Not Hesitate

Do not think you are imposing upon The Daily News. Our shopper is awaiting your requests.

ADVANTAGES of A JOINT BANK ACCOUNT

A MAN and wife, a brother and sister, any two persons in the same family, partners in business—these are among those who find a joint savings account

a great convenience. In such an account either person can deposit or withdraw so that the money is not tied up in case of illness or absence of one of the joint owners of the account.
