

Man in the Moon

Most of us can think of the bright cutting things we would have said if we had thought of them at the time.

Jake says it would be easy enough to save money if it were not for his wife's overhead.

In some cities they are worrying because of the noise. In Prince Rupert a good many people are praying for more noise.

Some people are like hens. They say nothing when people steal their eggs.

"You're another" is the best argument a good many people can put up.

I like to sit around and argue and whittle but unfortunately my wife does not think she should support the household.

There are a great many important things in life. There's religion, character, building, public service and a good charge account.

Getting up in the middle of the night would not be so bad if the rocking chairs were not always in the way.

About nine-tenths of the people look forward to the time when they make a million dollars more or less and have a chance to kick those who have in the past done the kicking.

Ten Years Ago in Prince Rupert

April 12, 1919

A special meeting of the Board of Trade is being called to consider a proposal to establish headquarters at Shawatlans Passage for the fishing fleet and to provide floats and proper accommodation for the fishermen at that point.

Principal J. C. Brady addressed the St. Andrew's Society last night on "The Life and Times of W. E. Gladstone." H. A. Harvey and Miss Stephens played violin and piano duets, Mr. Craggs sang a solo and there was a trio by Harvey, Waddell and Clapperton.

A total of 1,192,800 pounds of halibut was landed at Prince Rupert during the month of March. The average price during the month was 11.897 cents, highest bids being 14.3c and 11.5c.
