## POWER COMPANY'S POSITION

The fact that the Power Corporation of Canada is already taking steps to institute work on the new plant to be ANNIVERSARY () established to supply Prince Rupert and neighborhood with power is a good indication that the present season may be a busier one than had been anticipated. No time is to be lost in getting the work under way, we are told, and this is most satisfactory news. We look for general improve- Observed Last Night With Special the recent storms had done conment in local conditions soon.

## NATIVE BANDS

Native bands are to be invited to compete at the Prince Booth was celebrated with a suit-Rupert fair this year. This feature had been dropped in able "Founder's Day" program last order to give preference to the local boys' band. The move night in the local citadel. There to bring the native bands here again is a good one. We was a large attendance. cannot have too much music. The coming of the bands an address by Adjutant William will have the effect of bringing more natives to the city Kerr on "The Prophet of the at the same time and we like to have them all visit us.

## PROGRAM RIVALRY IN BRITAIN

The political parties of Great Britain are likely to have come to observe the poverty and a plethora of political programs before the election is over. had joined a Weslayan chapel in Lloyd George led the way and it is difficult for the others that great English industrial cento follow. Judging from the forecast, it would seem as if tre, but his observations led him to Premier Baldwin would go as far as possible in duplicating the conclusion that there should the Liberal proposals. Labor has yet to be heard from. be some more effective system of The contest reminds us very much of what is done in Can- evangelistic and relief work ada at the time of federal or provincial elections.

## SURVEY OF P. G. E.

Engineers are already engaged in making a survey of through the years to be an organthe route and country for the P. G. E. north of Quesnel ization of universal activity and with the idea of avoiding the big Collingwood bridge. They will make a general survey of the country and the report string band consisting of Capt. E. will affect the possible sale of the railway to the C. P. R. Anderson, Mrs. William Kerr. and Canadian National, or to one of them, if this action is Miss Evelyn Pierce, Miss Dolly decided on.

The government has had a number of offers for the P. G. E., but it is generally thought that one of the big Canadian systems will get it.

# Smooth, Creamy, Custards

Doubly rich in cream, Carnation Milk adds creaminess to any dish. "Homogenized" to break up the cream into finest particles, it makes the most velvety custards, soups, sauces, puddings, candies and ice creams. You'll agree it's wonderful.
