The Tortures of Dyspepsia Corrected by "Fruit-a-tives"

St. MARTIN'S, N.B.
 "For two years, I suffered tortures from *Severe Dyspepsia*. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.
 I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-tives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

HERE IS YOUR RECIPE Mrs. FORBES

Here is the way Pacific Milk whips best:
 Put a small tin in water and heat to the boiling point. Then put on ice and chill thoroughly.
 Have a bowl on the ice getting cold. When the tin is chilled open it and pour milk into the cold bowl, placed in another bowl of cracked ice.
 Beat in the ordinary way and in less than five minutes you'll have delicious whipped cream.
 If it is not too much trouble we would be glad to know how you like it. We will furnish any other recipes upon request.

TEMPEST IN A TEAPOT AT CITY COUNCIL

Fruit Vendors Ask for Privilege of Keeping Open After 6:30 and are Opposed by Grocers.

Somewhat of a storm was raised last night in the City Council over the question of the keeping open of fruit stores. A petition was presented to the City Council purporting to be signed by one hundred per cent of the fruit dealers of the city asking that the fruit stores be exempt from the early closing law.

Several of the owners of fruit stores were present and J. C. Gavigan of the Rupert Table Supply Co. outlined the case for keeping open. He said that fruit was a perishable commodity and that a good deal of it was sold at night. Many Indians came in and made purchases after closing hours. The chief loss in his business was on soft fruits which would spoil overnight. This loss was prevented by keeping open.

Not Considered.
 Mr. Gavigan referred to the illegal way in which the bylaw was originally passed, and a letter written to the City Council by Mr. Peters, the city solicitor, was read which confirmed this. The report said that the Killas store was not considered at all as it was not looked on as a fruit store but as a refreshment house.

In answer to a question from Alderman Perry as to what attitude the Retail Merchants' Association took in regard to the matter, Mr. Gavigan said there was a section of the retail merchants that did not like his opening a fruit business in the evenings. For the past four years he had lost heavily on fruit owing to being so far north and the loss in transit being so great.

Two Licenses.
 "Which are you running, a fruit or a grocery store?" inquired Ald. McMeekin.
 Mr. Gavigan explained that there were two licenses, one for a grocery and the other for a place of refreshment.

Ald. McMeekin suggested that fruit was only a sideline to Gavigan and Killas. If the other grocers wished to remain open all night they could do the same as Gavigan. He thought the by-law should stand as it is.

Mr. Gavigan explained that in regard to the labor question they had a separate shift.
 Alderman Casey supported the application to keep open. He said that it would not affect labor any more than the cold storage.

Stay Proceedings.
 It was decided to leave the question for further consideration at the next meeting of the City Council and in the meantime to ask the Police Commission to stay proceedings against merchants affected.

Alderman McMeekin became very indignant at this and Alderman McRae suggested that it was playing the part of a Chinaman to stay open all night.

LAST OF SERIES OF RINK DANCES

Large Attendance Last Night; Skating to Commence This Week.

The last of the summer series of dances was held at the rink last evening, when those who were present spent a most enjoyable time. There were about seventy-five couples dancing, and Gray's orchestra was in attendance.

The hardwood floor of the rink is first rate for dancing, and it was in first class condition. The music was most uplifting and a very merry and happy throng made the most of the occasion.
 The Rink will be opened for skating on Thursday, when the youngsters will be admitted free in the afternoon, while in the evening the public may obtain admission.
