A TEASER

No. 9, Cleopatra-215 yards, Par 3.

The ninth hole of the Jasper Park Lodge Golf Course, Jasper National Park, Alberta, over which the amateur championship of the Royal Canadian Golf Association will be played August 19-24 this summer, is one of the trickiest in Canada. The championship tee (No. 1) is considerably elevated and the green, which is very fast, is also built up high. The trick, therefore, is to play a tee shot which will hold the green. Yawning traps surround the green to eat up the strokes of the golfer who fails to play this hole properly. Like its famous namesake, "Cleopatra" is likely to wreck a lot of reputations at Jasper in August.

Co-incident with the Canadian Amateur the Western Canada Amateur will be played over the Jasper Park Lodge Course, and this will provide plenty of competition for those whose high handicaps automatically keeps them out of the Dominion event.

The upper photograph was made from No. 1 tee. Below it is a plan t. scale showing the hole in detail with the three tees plainly indicated. The figures below represent the yardages.
