

Man in the Moon

If you fly high at night you can't expect to get far in the day time.

No person can learn much who is always talking about himself.

If we are sick we see sickness and if we are well we radiate health.

There's something wrong with my kidneys.

There's something wrong with the bile.

The body politic is all sick and never free from guile.

Yes, this is an age of sickness when everything is all wrong; For I took coffee for supper and it was terribly strong.

Jake says he bets we'll get a road to Terrace about the year 1950. But Jake is an optimist.

Why can't we have a road? Who's going to build a road? We want that road. We want something more than talk.

For we don't like to walk at promises we balk, We want that road.

Ten Years Ago in Prince Rupert

At a public labor meeting tonight in the Westholme Theatre, J. S. Woodworth of Winnipeg will be the speaker. W. H. Montgomery will preside.

An aerial mail service between Victoria and Seattle is mooted.

"How I got Rid of Sleeplessness"

Mrs. Alex. Dupuis, R.R. No. 1, Renfrew, Ont., writes:

"Some years ago I became completely run down, was unable to do my own work and could not sleep. I used Dr. Chase's Nerve Food with such splendid results that I was soon much stronger, able to do my own work, sleep well at nights and get up in the morning rested and refreshed."
