Man in the Moon

It seems a pity there can't be a holiday Monday to give a person a chance to rest up after Sunday.

Sometimes complaint is made that parents do the home work for the children. But can they?

Children are better than diamonds. People who have the latter always want more.

Women can't understand why other people make so much fuss over their husbands.

There are a great many methods of getting a thrill. One is when a little boat with a kicker runs past a big launch and pretends to throw a tow rope.

People have curious ways of enjoying themselves. Some even go swimming in May.

Ten Years Ago in Prince Rupert

May 6, 1919

That the government will be ready to let more contracts to the Prince Rupert Dry Dock and Engineering Co. for ships to be built here and that the government will definitely take over this line of railway and operate it were among the statements made in Mayor McClymont's report to the city council last night following his recent trip to Ottawa.

A delegation consisting of Principal J. C. Brady and L. W. Patmore appeared before the city council last night with the request that $1,000 be granted for improvement of bathing facilities at the Salt Lake.

Halibut prices were low here today. American fish received 9c and 6c and Canadian, 9.9c and 6c.
