

Man in the Moon

The British Navee is once more with us and will doubtless give us another coat of tar—Jack Tar.

Hail Colombo! Britannia rules the waves!

There was a ship that sailed the sea
Colombo was her name
She carried a bunch of jolly good men
From jolly good stock they came.

This is the fishing season but most of the local anglers say there are no fish.

Some day I'm going off fishing
To angle for the wily trout
And if the fish are in the stream
I'll surely yank them out.
Rule Britannia etc.

If the hens were to join the union we might have to pay more than four cents a piece for eggs, for after all the producing of an egg is a day's work for the hen.
