You May Lose Your Diamond

Lots of people are wearing diamond rings with the claws just about worn off. Some people do not notice how thin the claws are until the stone drops out. Some people have rings and jewellery so old-fashioned that they hate to wear them.

We can remodel old looking pieces so that you can have the modern style at reasonable rates.

A diamond set in one of our new mountings makes an amazing change.

Prices $5 to $15, but we allow you for the old gold.
