Man in the Moon

I don't know any place where they get as much weather as they do in Prince Rupert. Judging by the conversation on the street, there seems to be little else here.

A Winnipeg Free Press humorist says:

"A large new handsome brass cage has been bought for the dove of peace at the city hall. A sofa has been put in so that the bird can have a chance to lie down and rest, as he expects there's a pretty hard year ahead of him."

In Prince Rupert there is no need for a cage for the dove. It is tame and flops around all the time during council meetings.

Devout girls should have pads strapped to their knees on Sunday so that when they pray they may not injure the knees.

When a man is sick and has to have perfect quiet, the doctor gives his wife a sleeping draught.

In these days of live wires it seems queer that women's clothing should be so thin as to be practically no insulation.

I'd like to own a mine
And get a gold brick,
Or a good promoter,
Who has learned the selling trick.

Have You Blue Eyes?
Character Told by the Eyes

Blue eyed and blond complexion are characteristics of sturdy Viking Ancestors. People with Blue Eyes indicate an optimistic disposition. Are yours Blue or Brown or Gray? Have you the downcast eyes of modesty, or the upturned eyes of devotion?

What Story Do YOUR Eyes Tell?

Besides being indicative of character and disposition, eyes tell the story of your health. They show the condition of the blood, digestion, liver and the organs of elimination. Do your blue eyes indicate the same robust health of your sturdy ancestors? If not: does a yellow tinge indicate a disordered system?

Don't spoil the fascination of your eyes—if the whites are not bright and clear, with a pleasing tinge of blue — if a yellowish tinge robs them of their beauty, it is a warning of sluggish liver and intestinal inactivity.

Banish the Yellow Tinge with

BEECHAM'S PILLS

Try a regular daily course for a short period. Your eyes will tell the story.
