Reliability

How often you hear the
expression — "I deal at
Bulger's because they are re-
liable jewellers."

We are proud of that public
estimate—the result, we
believe, of the endeavor of
many years to give our cus-
tomers the same values we
would like to receive under
similar circumstances.

We have a carefully
chosen stock for your in-

I was soon much stronger, able to do my
own work, sleep well at night and get up
