## Bedouins Planning to Invade Palestine and Already'Over Border

British Airplanes Swoop Down Upon Mohammedans as They Leave Mosque of Omar and Precent Further Trouble

LONDON, Aug. 31.—The colonial office announced today that British troops controlled all important points in Palestine from Hafed to Beersheba and including Jerusalem, but that Bedouin tribesmen were reported to be threatening to march on Palestine from three different directions. Some Bedouins had already crossed the frontier.

JERUSALEM, Aug. 31.—A demonstration by twelve British airplanes over the Mosque of Omar yesterday, the Mohammedan Sabbath, was responsible for the avoidance of fresh clashes. As the Arabs left the Mosque, machines swooped low, scattering Moslems in all directions.

LONDON, Aug. 31.—The British colonial office in a statement dealing with the Palestine situation today said considerable Arab forces had been reported to have crossed the Syrian frontier into Palestine yesterday. British airplanes were despatched to check their progress.

CAIRO, Aug. 31.—Jewish telegraphic agency reports from Jerusalem said 22 Jews were killed and scores injured in massacres by Moslems at historic Safed Thursday night and Friday morning.

## Deal for Telkwa Mine Finally Completed and New Plans are Laid

Frank S. Taggart, representing the English Owners, Says Will Market Coal First by Way of Canadian National

Frank S. Taggart, who has his offices in British Columbia House, London, and is the representative of English capitalists, announces that his backers have just completed the deal for the Telkwa Collieries under the agreement entered into with the owners last year, and he is making plans for developing the property and marketing the product.

While it is planned to build a line of railway along the Copper River coming out at Vanarsdol or Pacific, the

SEATTLE, Aug. 31.-Coast- to make a grand tour of Canada. guard headquarters here received a radio message from the cutter Northland last night stating that the entire crew of the schooner Elisif was wrecked off the Siberian coast early in August has a public holiday, there will be been picked up on Little Diomede no issue of the Daily News. The Island in the centre of Behring next regular edition will be on

will be to market their coal by way of the Canadian National line, a spur to which is to be built at Telkwa. The mine is only a few miles from the railway and shipments of coal will commence almost immediately. Mr. Taggart has been looking

into marketing conditions on the coast and has decided that a large business may be done at this port both in the city and for export. Mr. Taggart says he believes Prince Rupert people would like to use coal produced in the district, providing the quality and price are right. In both of these respects he is planning to satisfy his customers.

Mr. Taggart would not just now discuss his plans for coal export or for the building of the Copper River Railway and other developments which are now under consideration. He is making a trip to Vancouver and Victoria and will return here very soon. It is understood, however, that big developments are anticipated.
