Ten Years Ago in Prince Rupert

November 4, 1919

W. P. Hinton, vice-president and general manager of the Grand Trunk Pacific Railway, who is a visitor here, announces that plans are being perfected for a large new dock which will be built at this port. He states that, before another season, the company must have increased terminal facilities here.

G. G. McGeer, M.L.A. for Richmond, spoke in the Westholme Theatre last night in support of the Victory Loan campaign.

Local coal dealers state that the coal strike in the United States will cause no shortage here. There is a large supply now on hand and Telkwa can always be drawn upon, they state.
