The coming week will be marked by the conclusion of practically all the winter indoor sporting schedules including cribbage, billiards and whist. Whether or not basketball activities are to be continued will be decided by an executive meeting of the association. New Empress Athletic Club is at present leading the Cribbage League with a narrow margin of five points over Canadian National Operators. It is quite possible that the situation might be reversed tonight. The winners of the second half will play Prince Rupert Hotel, who won the first half, in a post season play-off for the Dawson Cup, emblematic of city championship, with the Newton Cup for runners-up. In the men's section of the Fraternal Whist League, Grotto has emerged on top and will play the winners of the ladies' section for the Dybhavn Cup, emblematic of city championship, and the Newton Cup for runners-up. Ladies whist honors will be settled between Moose Ladies in first place and C. N. R. in second. Canadian Legion bids fair to win the second half of the first division billiard league as it did the first but a post-season playoff is likely in the second division. The Grotto look good to win the second half whereas Cold Storage won the first.

"Permit me to express my undying opinion of your famous Buckingham Cigarettes. I have smoked practically every brand of cigarette on the market—from the expensive to the cheapest included—and I take much pleasure in stating that I have always come back to the old reliable—Buckingham.

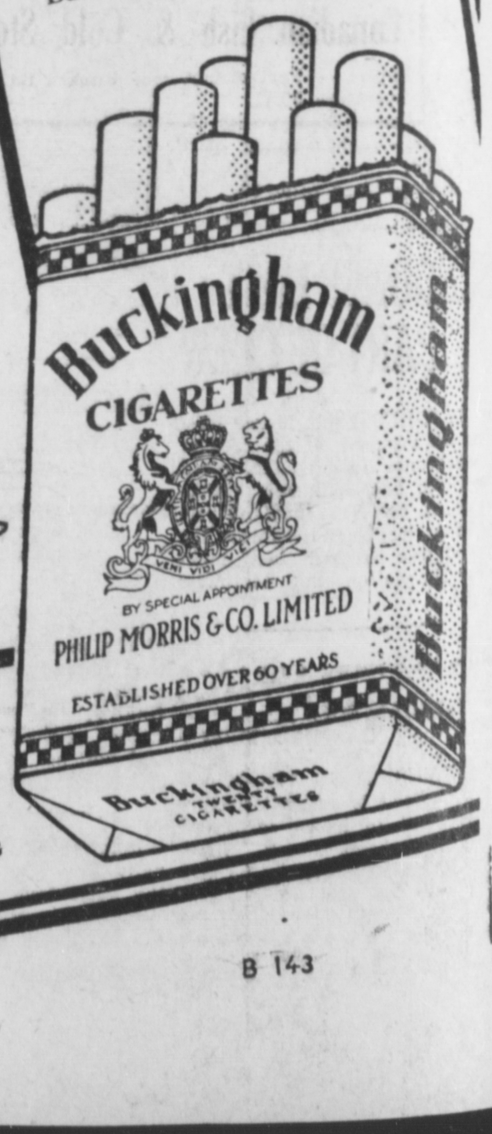

"I think, generally speaking, nearly every one of my many friends prefer this famous cigarette. They, to my mind, are fresher, sweeter and last but not least, the most economical cigarette.

"I am not a distinguished person but I take much pleasure in giving you what you may term as 'a common person's opinion of Buckingham.'

"Hoping you success with this wonderful product, I am,
