Man in the Moon

Many a bridge game becomes a bridge of sighs.

I like to play a game of bridge
To while the time away
I like a partner who throughout
Is bound to have her say.

I like one who will trump my ace
And bid her hand to high
I like a real vivacious girl
E'n though she makes me sigh.

Love and war are almost equally devastating.

There are many kinds of working girls. One kind takes up domestic employment for wages; another works for a salary; another gets married, and then there is the one that works the man. Pity the poor working girl.

A man may be a bear or he may be lionized but he is also likely to be sheared like a sheep or made a goat of.

A girl I know
Would tie a love knot
With a single beau.

Some people are so easy to see through they are nothing but a pain.

I like a girl to be chic
And also a la mode.
She must jazz just like old Nick
To live up to the code.

Just look this baby over
She nifty is and neat.
The only thing that's wrong with her
Are the bunions on her feet.
