Detter value for your money footwear marked with the Blue Bur

TUST a bar of blue rubber bearing I the name "Dominion," affixed to rubber boots and lumbermen of superior quality. It is an assurance of longer wear that will save you money.

Not just good-looking footwear, but built of finest materials—even in the parts you cannot see. There is extra reinforcing, extra wear, in the sole and heel-in the toe, instep and upper. Extra strength where ordinary rubber footwear usually gives way.

Ask for "Blue Bar" quality when buying heavy rubber footwear. It means better value for your money.
