NEGLECTED SADLY

We wish it were possible to commend the Government for its activity on the Skeena River highway. On that and as a fisherman, protest subject the Government seems to be silent and so do local against this additional method of supporters of the Government. That is the sad thing, fishing, being granted to the The men who were so keen to get the road when the Oliver canners under this guise. Government was in office have lost their enthusiasm now. Possibly they will speak at the right time. We are hoping the canners themselves, to allow for better things, anyway. We cannot expect to get ac- them to spend considerable money tion unless all are united in the offort to secure it.

PROPOSED MOVE IS GOOD ONE

The proposed move of the Provincial Government to mitted by the Canadian Fish Co. market to settlers the rich agricultural lands held by them why traps should be granted to along the line between Smithers and Prince George is a them, was because of the fact good one. Too much attention has been paid to the P. that they had run to considerable G. E. country and not enough to the Bulkley and Nechaco expense in 1925, and upon being Valleys. What is needed is to have that country settled refused these licenses in 1926 had up as intensively as possible. We have more than once I would call the attention of the objected to the attention given the other sections of the public that right in the current country to the neglect of Central British Columbia valleys. issues of the Daily News there

One thing it is to be hoped will be insisted upon and are nine trap sites being applied that is that sales will be made only to bona fide settlers. for, in this particular area, and We do not want a repetition of Rattenbury lands fiasco. this does not constitute any more than half of what will be placed If some middleman makes a profit out of the lands the there, as no mention is made of settlers make less. It is surely enough to have to clear the B. C. Packers, who leave no those lands without having to pay for the privilege. If grass growing under their feet in the Tolmie Government carries out the policy of settling business competition. the vacant lands of the interior, we feel sure it will receive the united support of the whole of Northern and PLEA FOR SUPPORT OF THE Central British Columba in the enterprise.

MEEBORNE AND PRINCE RUPERT

We have a communication from A. Tessier of Terrace The fact that there is in Prince enclosing a clipping in regard to high prices secured for Rupert a museum seems not to real estate in the city of Melbourne. That city is 100 years be generally known. As chairman old and Prince Rupert 20. He suggests that possibly like to lay before not only the Prince Rupert will be quite as wonderful a city as Mel- citizens of Prince Rupert, but the bourne in eighty years. He is right. It will be even more whole northern portion of this wonderful, for it will have had to overcome the inertia of province, the necessity of intercitizens, the continual pounding of enemies, the snubs of esting ourselves in the matter. friends and many natural handicaps. Yet, as he says, the future, be a great city, possibly city is wonderful already, for its age.
